Examination and Evaluation Rules

Sample examination procedures

1. Examination Eligibility

- Students must satisfy the applicable attendance and academic requirements before appearing for semester-end examinations.
- Students should complete examination registration and pay the examination fee within the notified period.

2. Examination Hall

- Students must carry their valid identity card and examination hall ticket where required.
- Students should report to the examination venue at least 15 minutes before the scheduled start time.
- Electronic devices not expressly permitted by the examination instructions must be switched off and kept away.

3. Internal Assessment

- Internal evaluation may include assignments, quizzes, laboratory work, attendance-related components, mid-semester examinations, or other notified activities.
- The exact weightage is communicated through the applicable course or academic regulations.

4. Malpractice

- Possession or use of unauthorized material, communication with other candidates, or other prohibited conduct may be treated as examination malpractice.
- Cases are handled according to the institution's examination disciplinary procedure.

5. Results and Revaluation

- Results are published through the designated academic portal or office.
- Students may apply for revaluation or answer-script verification when the institution opens the applicable window.
